

## VETROELEKTRANE BALKANA A TESLA WIND COMPANY

### Social Investment Activities in 2021

WEBG has continued to deliver our Social Investment Plan activities in parallel with the Stakeholder Engagement Plan and Environmental and Social Action Plan activities.

The Social Investment Plan for 2021 included the following activities:

- Elementary school “Prvi maj”, Vladimirovac – donation for local festival Martisor in the amount 255 EUR
- Volunteer Fire Association, Mramorak – donation for equipment in the amount 3,960 EUR
- Sponsorship to the Faculty of Electrical Engineering – H-Bridges team for the participation in an International Future Energy Challenge Competition 2021/2022 in the amount of 3,600 EUR.
- Women's Basketball Club “Kovin”, Kovin - donation for Club’s training activities and participation in competition in the amount of 1,000 EUR
- Sponsorship for Association "Srbija, moj dom" from Dolovo for the for the organization of ecological project “Deliblato Sands the last oasis for the benefit of future generations” and procurement of equipment and materials for cleaning and installation of information boards in the Deliblato Sands in the amount of 510 EUR.
- The University Children's Clinic, Belgrade – donation for purchase of 4 syringe pumps which are crucial for proper treatment of patients in intensive care in the amount of 4,080 EUR.
- Sponsorship to Mr. Djordje Ogrizovic an Environmental Engineering Student of the Faculty of Technology and Metallurgy, University of Belgrade for MPhil in Engineering for Sustainable Development at Cambridge University in the amount of 5,000 EUR
- Beekeepers Association “Banatski pcelari, Dolovo – donation required for the organization of Honey festival and presentation in the amount of 255 EUR
- Sponsorship of the first conference Renewable Energy Sources 2021 in the amount of 3,000 EUR

The total amount of these donations is **21,660 EUR** and budgeted SIP amount for 2021 is 50,000 EUR.

Starting from 2021 the SIP is being transformed into annual donations of 2% annual net profit for the projects in the Municipality of Kovin encompassing health, education, sports, infrastructure, and culture. The amount for 2021 is around 120,000 EUR of which a portion will go for the ultrasound machine for the local hospital and the rest will be spent for the renovation of the bowling alley in Mramorak local community as per Municipality’s proposals.
